  - Spirit Wear
  - Holiday Shop
  - ROAR run - looking to bring this event back next school year

### Administrative Reports

- Primary

- Wonderful turnout out for the virtual glow night! Just had a Common Connect night - these are monthly events with a topic. Presentation for incoming kindergarten families on February 9th. March 15th will be the start of virtual registration. Celebrated Tuesday 2-22-22. Preparing for conferences next month.
- Elementary East/West
  - No updates this meeting
- Intermediate
  - Just had the Principals for a day winners (3). Musical coming up (Into the Woods Jr"). Students have been working very hard on this, this show coming up next week. New PBIS challenge coming up - 15 winners coming up, 5 per grade level. Students will be able to get ROAR cash from a booth.
- Middle School
  - February 14th wanted to challenge the kids to be kind by giving out cards. Students also took over announcements that week. The students talked about kindness and challenging each other (hold a door for someone, give a friend a compliment, make someone smile, share a joke). Have been celebrating Black History this month. Students are looking to expand the clubs (Newspaper, Dungeons and Dragons, etc.). NJHS students are helping with tutoring for the 6th grade students. Starting to plan the 8th grade end of year and promotion celebratory activities.
- District Updates
  - Dr. Casey gave a thank you to everyone for their patience as we have navigated through the recent changes in Covid mitigation at the schools. Planning to have the 2022-2023 calendar approved at the upcoming Board meeting on 2/24. The schools are hoping to have volunteers start again in the schools after spring break.

### **Open Discussion**

- Question came up asking for clarification about the backpack policy at the Middle School. Mrs. Drake was able to address this and is happy to help further.

**Next Meeting - March 10th at 9:30 am via Zoom**
