Administrative Reports

- Primary
 - Celebrated internal winners at Primary for Teacher of the Year awards. Been working on our equity process. Looking to open up the building to have volunteers back in the building mid-April. Planning for open house. Launching registration March 15th. Kindergarten Sneak Peek on May 14th. Would love to have the PTA there for families to ask questions and sell Spirit Wear for incoming Wildcats.
- Elementary East/West
 - 5,200 pounds of soft goods donated. DJ Jazzy Wollberg hosted a celebration event for the students. The school was able to get about \$1,000 from this drive. Continued to work on the unity project as joining East and West together.
- Intermediate - no updates
- Middle School
 - Promoting Women's history month. Meeting with the 8th grade team members this week to review Promotion. Going to continue with more of the walk through type of ceremony that was done last year. Looking into adding more opportunities for families to celebrate, this will be coming out in Mrs. Drake's communication to parents.
- District Updates
 - Registration has opened for Wildcat Summer Adventures.
 - The District will offer a SHIELD testing event on April 1st from 1-4 pm as families come back from spring break. Families should register online in advance. Walk ins will be accepted or there will be someone there if anyone has an issues registering.

Open Discussion

- The clothing collection drive was a success! SWALCO reached out to Brooke after Elementary hosted this. We may be able to partner with them or get donation boxes at the schools to do this more.
- PTA will continue to offer scholarships to students. More information will be coming out after spring break.

Next Meeting - April 14th at 7:00 pm via Zoom
