

Woodland School District 50 PTA January PTA General Meeting Minutes

January 14th, 2021

7:00 pm

Welcome

- Welcome from PTA President Kristin Michna
- Approved the November meeting minutes

Treasurer's Report

- Approved the PTA Financials through December 31, 2020
 - Not many transactions this year since we have not had events.
 - In December, the PTA provided lunch to District employees in the buildings as a Thank You for all they are doing this year.

Administrative Reports

- Primary
 - The staff enjoyed the lunch last month! Staff spent the remote planning day this week preparing for the tentative return date. Working on incoming kindergarten events (registration, sneak peek, etc.). Seesaw has been going really well for students and families this year.
- Elementary East/West
 - Staff is planning for hybrid learning. Working on having some upcoming events - Leaders are Readers and Letters of Love (Valentines for Seniors). There will be a website for the Leaders are Readers where families can access these.
- Intermediate
 - Thank you for the staff lunch last month. Students will have virtual Map testing next week. There will also be a supply pick up that week on 1/19 and 1/20. 8 intramurals have opened up. These are very popular and fill up quickly. Looking to launch some for 4th grade soon.
- Middle School
 - Thank you for the staff lunch as well! Staff are preparing for hybrid learning. This week students have been doing virtual Map testing. There will be a supply pick up next week with some days for specific grades and then another day for all grades. Will have a virtual Multimedia assembly on February 5th called Leveled Up. This will help students with goals. Planning is starting for the yearbook this year as well.

- District Updates
 - The School District is excited to see so much parent involvement this year. Great to see lots of new faces at tonight's meeting. Staff throughout the district are gearing up for the first phase of return to school. The School Board will be voting on this on January 28th. Also starting to look at plans for the summer.
 - There will be lots of communication coming out in the next few weeks. If anyone is not getting the weekly emails from Brooke Hagstrom, please reach out to her at bhagstrom@dist50.net.

President's Report - Kristin

- Spirit Wear Sale
 - We are excited to have an online sale for Spirit Wear! We have 103 orders so far. Families can order through January 24th.
 - There is a flat rate shipping fee on orders. Families can place group orders with friends if they want to cut down on the shipping per person.

- PTA Calendars
 - PTA 2020-2021 calendars are now available! We will be sending out information shortly on where families can pick these up.
 - Calendars are free typically with a PTA membership. Calendars are free this year. If anyone wants to make a donation, we are asking them to contribute to the food drive through the school district to continue to help families.

- School Supply Lists/Supply Packs
 - Supply Pack and School Supply list planning is underway for the 2021-2022 school year. The Principals and their teams are reviewing this year's lists now and determining what changes are needed.
 - We plan to launch our online sale in March, in time for incoming kindergarten families to get information with registration. More information coming soon.

- Valentine's day crafts
 - The PTA is hoping to sponsor a virtual event for the community for Valentine's Day. We are looking at coming up with a number of crafts (1 per age group) that families can do with supplies they have on hand.
 - The PTA would schedule multiple Zoom meetings so that families can work on these with other families in the District. If anyone does not have supplies at home, we will work on having supplies available for pick up.

Fundraising Updates

- Holiday Shop
- Jimanos
- McAlister's
